NZWLA Junior Programme Recruiting Guidelines

All volunteer staff will be expected to conduct themselves in a professional manner and work in conjunction with other programme staff and athletes.

All volunteer staff will be expected to act as positive ambassadors and spokespeople for the NZWLA and demonstrate a commitment to a long term athlete centred development philosophy. To this end, recruiting athletes to school programmes while involved in NWLA activities is unacceptable and is ground for dismissal from the programme. Any suggestions that a NZWLA coach has used their position to coerce or encourage an athlete to change schools may result in their dismissal from the programme.

Background Checks

NZALU will undertake back ground checks on volunteer staff appointed or seeking appointment. This includes those roles who are likely to travel away with athletes under 18 years of age and to roles in which a person is likely to have unsupervised contact with players under 18 years of age.
