Driving from Auckland to Cambridge is between 1hr 40 to 2hrs depending if you are on SH1 or SH1 and then SH1B.

Driving from Wellington is a leisurely 6hrs 11 min (please drive safe we want to see you here).

If you are flying into Hamilton Airport, it would then be a 20-30 min drive depending on traffic at time of the day. Heading south should take 15mins.

From the grounds to centre of town it is a 1.8km drive (3 minute) or a straight walk down Victoria Street which is 15-20 min walk.

Every Saturday there is a Farmers Market on the town square next to Town Hall 0800-12:00.

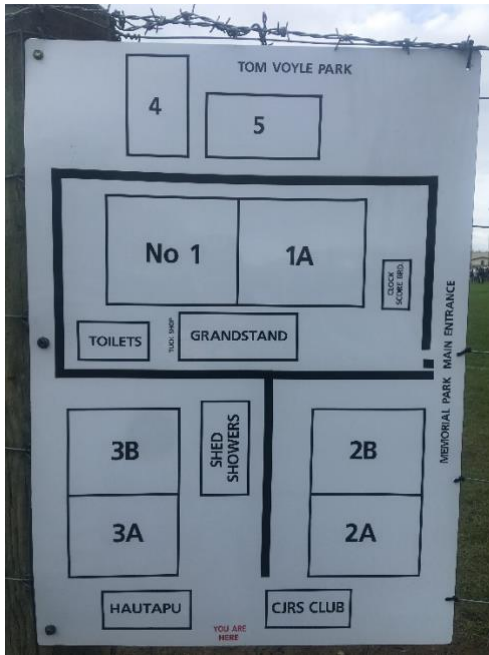

As this is a school event there is **no alcohol** on site, it is also a **smoke free and vape free** ground. Those who are drinking, or smoking (including vaping) will be required to leave the grounds immediately.
