

Waiver Form for Under Age Participation at NZL Tournaments

In accordance with NZL Tournament policy coupled with the [NZL Player Guidelines](#), there are age restrictions for youth tournaments.

To play in U15 teams and tournaments:

- girls must be 12 at the start of the tournament.
- boys must be 13 at the start of the tournament.

To play in U18 teams and tournaments:

- girls must be 14 at the start of the tournament.
- boys must be 15 at the start of the tournament.

Any players who are outside these age requirements are unable to play. Individual exceptions by way of a dispensation can be made given that the form below is completed by the relevant parties and returned to the NZL Tournaments Coordinator two weeks before the tournament. A supporting document is also encouraged to provide background of the players ability and the reason for the requested exemption.

Lacrosse inherently involves a high degree of risk that could result in serious bodily injury or death. NZL takes the safety of players seriously and by playing in an older age group there is a risk that underage players can be seriously injured due to the difference in skill level.

By signing this form, the players, parents, coaches and the region the player is representing accepts these risks and agrees that they will not hold the NZL liable for any injuries, disabilities or death caused by
